Assessor Comments	An exceptional line of Angus Heifers from the renowned Hopewood herd. These Heifers present an outstanding opportunity for the purchaser to secure a total of 133 Vendor bred NSM Angus heifers offered in 3 lots (27hd & 36hd) from Jugiong and (70hd) located at Book Book. These heifers would make excellent breeders as Hopewood have been using premium Reiland Angus genetics for the past 27 years. The Hopewood mature cow herd are large frame, deep bodied cattle and have been bred with an emphasis on maternal traits and growth rates. Their cattle are highly sort and are known for their performance. These heifers would be an asset to any herd. Please note: 2 heifers had a blue eye (Pinkeye scarring) at the time of assessment.
