Assessor Comments: 17 x Well bred Black baldy heifers. 12 months old these heifers have made it through the colder months on good feed and are starting to perform. They are structurally sound with plenty of frame to grow, and they are just starting to lay down some fat cover. Bred out of very good quality cows these heifers would usually be retained for breeders. They would make for

	good replacement heifers or to fatten for the trade. Very easy to handle also. Total of 44 heifers in this sale sold in 3 lots. Convenient access straight off the Hume highway 20 min from Yass Saleyards
