Assessor Comments	Quality line of NSM EU Angus heifers. Well bred Bongongo blood heifers, vendors have being using the top end Bongongo sires for 20 plus years. These heifers are in prefect condition to take on and join to bull of choice. These heifers are bred from one of the better Angus herds in the Tumut region. Excellent heifers to handle which would be an asset to any breeding operation. Past buyers being extremely happy with the Boyd cattle. A small tail was removed at assessment.
