| Assessor Comments                 | Quality line of well bred Angus steers. Vendors selects the top end sires from Dunoon. Vendors would normally grow into feeder weights or bullocks. Steers weighed 402kg plus at assessment. Tops of the drop steers that are showing great weight for age.Top steers that are on the do and would continue to do so given the right opportunities. Buyers please note there was insects from out of the grass that show up in the photos and videos. Please see vendors other lines in same sale. |                                     |                                   |              |  |           |      |   |      |
