Assessor Comments	An opportunity to purchase a very good draft of Vendor bred Angus & Black Baldy Steers off CA Martin, the lead draft of their 2023 spring drop weaners. This vendor has focused extensively on improving the genetics and performance of their herd and have done so by consistently purchasing leading sires from Table Top & Fernhill Angus with a real emphasis on Growth, EMA, IMF and positive Rib&Rump. These Steers are genuinely only 12 months of age and are bred from a very good herd of large framed Hereford and Black Baldy females. Cattle were Yard weaned 20th of March for 7 days and are up to date with there health treatments having 3x Ultravac 7in1 and drenched Cydectin Platinum Pour and Swish Fly & Lice on 3/9. There will be a grass assurance form supplied. Cattle come with the agents highest recommendations.
