	Very good and easy to handle in the yards. We made note of One Steer only that got a bit agitated in the race and crush. Overall, their behaviour could not be faulted.

Assessor Comments	Two Decks of "Coloured" Steers bred by the O'Sullivan Family for your competition. All are by Langi Kal Kal Angus Bulls out of Cows that run back to Murray Grey & Hereford influences. Strong Store condition and of a good medium frame. Give these calves warmth and feed and they will jump ahead in the Spring and Summer. Do not overlook them simply on the basis of colour. Healthy and ready to go. Properly yard weaned and I found them excellent to handle.
