Assessor Comments	A line of Angus Heifers that represent the "middle" from the total drop of approx. 170. A small group have been retained as "Keepers" and a tail taken out to leave an attractive line which could serve several purposes. I have no doubt that a lot of these heifers have genuine career opportunities as future breeders or they could simply be fattened or backgrounded for a Feedlot. Heifers offer more options to the Buyer than Steers and come at a lesser price (normally). Healthy and well mannered.
