Assessor Comments	Appleton's Balmoral are selling their Top draft of weaner Steers. These Angus steers are well weaned and on the do. They have had a tough 2024 with the lightest rain fall on record but with a spring flush have started to move forward. The Steers are by Pathfinda Angus sires and will grow into excellent feeder steers on the right feed. The steers are EU Accredited and are Grass feed and Antibiotic free.
