Assessor Comments	A wonderful opportunity to secure steers that have been through a very hard winter and are just now are on the do and will fly on good feed. They have been very well handled and are very quiet. Grass fed only - no antibiotics - never ever accredited. This is a wonderful opportunity for those in the position to put these steers on good feed. All the hard work has been done so take them home and turn them out and watch them grow. Two steers have a clouded eye from grazing in Yakka country and they can get a poke in the eye.
