Assessor Comments	***LAST OPPORTUNITY, PROPERTY SOLD*** On offer is 1125 of the Jones Family's 1st X Ewe Lambs. This is the 3rd draft of 255 March/April 2024 drop ewes. The Troffs sheep are impeccably bred and are normally presented for sale at the Annual Forbes 1st X Ewe Sale each January, where year after year they are awarded the best presented ewes in the sale. They are bred out of Large framed Pure Darriwell merinos by Top Quality Glamis B/L Rams. These ewes are OJD Vaccinated and also mulesed. They have also been EID tagged for purchaser convenience. Approx 55% of the ewes in the entire drop were born and raised as twins and have been drafted through the lots. These can be identified by a T on the ear tag for breeders that are interested in the fertility of the ewes. These are excellent ewes showing trueness to type, length and have plenty of barrel for age. The Troffs ewes will not disappoint with repeat purchasers annually. Buy with Confidence.
