Assessor Comments	A good run of 400, very well bred 2nd X Store Suckers that are the perfect article to take home and shear for Christmas markets. Out of large framed, western bred 1st X ewes and by Kooradale Poll Dorset Rams, these lambs have the genetics to reach domestic and export weights. These suckers are an April/May Drop, weaned and up to date with their animal health treatments. Please note that a large tail has been removed. Nice lambs to take forward.
