Vendor Comments	Annual sale of our Autumn lambs. Offered for genuine sale to make way for Spring drop lambs.			
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	Well bred individually weighed line of April/May drop weaned lambs 35-43kg. Lambs are bred from genuine medium to larger framed poll merino ewes, stand evenly as a group in predominately forward store condition. They carry a clean bill of health and ideal to background through the spring and shear. Lambs are generally finished for the supermarket trade but also have been taken to export weights in the past. Lambs come highly recommended. Please note lambs were assessed over two days with rain and dry weather and then also market crutched after being assessed. Please view sale video to appreciate the quality of these lambs. For further information please call. Total of 2380 lambs being offered in today sale. Note single delivery day and lambs will be delivered as a run out the gate.
