No expense has been spared sourcing the genetics that go into these lambs. They are all out of excellent quality Ballatherie blood ewes purchased annually at the Hillston Breeders Sale by top Border Leicester rams and have the potential to grow into excellent prime lamb mothers. This lot represents the lead draft of the 2024 drop ewe lambs. All lambs have been individually weighed to be 35kg and up. There 750 head in this top draft to be sold in 2 lots as a run out the gate. There are another 670 of the second draft of these ewes also in this sale.
