	Very Good	100%	Plain	100%	GAQ	100%
Notable Traits	Traits					
	30 Head	Bare poll				
Assessor Comments	B double line of feed on lambs ex medium to large frame merino ewes by predominantly Lachlan Valley Poll Dorset Rams. Lambs are in fresh condition and still on their mother's, will be weaned at delivery. Extended drop means there are some lambs that will still require grass before hard feed, however there is a very good lead that is not far off the knife. 5% tail removed, Good lambs to top up for summer contracts.
