| Any Access To Rams or Stags? | To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                    |
| Assessor Comments            | A nice line of Triggervale WS/Merino X lambs. All individually weighed 35-45kg at assessment and are in a neat 2 deck line. These lambs were weaned on Monday 16th September and are ready to keep gaining weight. A large tail and a small top of only (50) head removed, lambs that will perform with the vendors being on Triggervale genetics for 15 years. Please call for more information. |
