| Assessor Comments            | Presenting a line of very well bred second cross lambs account G R Seymour of Rutherglen for buyer competition. Lambs are being offered due to a tightening season and are surplus to requirements. A large percentage of lambs were weighed with a tail being removed ensuring the lead quality draft. All lambs are sired by high indexed Ivadene Poll Dorset Rams out of large framed Pastora, Centre Plus and Hazeldean blood Merino Ewes. Lambs come with assessors highest recommendation and can be purchased with buyer confidence. Please note, photos of the sires used are included. |            |                |             |
