Assessor Comments	An outstanding line of first cross white suffolk mixed sex lambs . Bred out of large frame mallee ewes (Wodoona/Morundie park bld). Newbold white suffolk rams were used with the vendor selecting for lower birth weights and good growth rates. These lambs have all weighed into a tight weight range ideal for the feedlot. Please note lambs will be left with their mothers until delivery and Hahn family has multiple properties with more lambs in this sale lotted by location.
