Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.			
Assessor Comments	A 4 deck load of 600 quality wooly ms 2nd cross lambs bred out of med-large framed BL/MO & composite ewes, sired by high index ALLENDALE& Caralma Blacks bld SU & Ella Matta bld WS rams. Average 33.9kgs., range 29-39kgs.. This consignment has a very tight weight range, hence the line is very even. These lambs have plenty of potential, are very fresh, weaned & are very young so have plenty of time to grow out into export weights given the right feed and conditions. The dirty lms will be crutched prior to delivery. Are priced to sell.
