Assessor Comments	The Wilson family ewes come with the highest recommendation. The Wilson family have been blue ribbon breeders of the highest quality 1st X Ewes for decades. The ewes are bred out of large framed Riverina bred merino ewes purchased from Hay annually and rams are selected from Cadel B/L Stud in their annual sale each year where no expense is spared. This line of ewes do show a slight variation in frame as back in August a large line of ewe lambs were sold through the meat market where they topped the sale at \$324 and hoggets were retained with some lighter lambs at the time. A quality line of ewes impeccably bred showing great depth of body and trueness to type. Please note 6% delivery adjustment as 10 mill of rain the night before assessment.
