Assessor Comments	On offer is a small but upstanding line of 1st X ewes. These ewes are in the prime of their life and are being offered due to reducing numbers in farming operation. These ewes were purchased from a local breeder and are very well bred out of large framed Yarong blood merino ewes by top quality Weddin Border Leicester rams. There is a portion of these ewes that had suckers weaned and sold off them 3 weeks ago and the balance weaned at delivery. 100% of these ewes were scanned in lamb last joining. 1 ewe with light scur.
