Assessor Comments	Rare opportunity presents itself with the flock dispersal at the high end of the Australian White shedding breed on account of the Kerr Family. With no expense spared, 90 NSM 2022 drop ewes are out of high quality Tattykeel based ewes by a top end Tattykeel genetic rams that were purchased for \$18,000 and \$14,000. Ewes have grown out extremely well averaging 80kg, are proven breeders and have all raised a lamb sufficiently. Vendor also has 80 SIL mixed age ewes in same sale. Purchaser will not be disappointed.
