Assessor Comments	Jarrahwood Pastoral is offering 305 genuine Non Station mated, Classed in ewes. This line are 2020 drop. They have conceived at every opportunity, otherwise the would have been sold. These ewes have had lambs weaned off them just over a month ago and have been laying down weight and condition back onto themselves. And will continue to do so into spring. In good strong forward store condition. In my opinion all would be suitable to join at any time going forward. Versatile ewes that have enough credentials to go into a Merino operation or any terminal lamb program. Good dual purpose sheep in prime of there life, realistic reserve. Note. Approx 10% will be cleaned of light dry dag prior to delivery
