Assessor Comments	Excellent line of well bred young Aussie White ewe lambs. These girls are tops of the April/May drops and come out of a very good program. Vendors have been on Aussie Whites for 10 years and have established an A Grade flock, with terrific results on their wether lambs that consistently yield 48-50% and excellent feedback on females sold over the last few years. These lambs are fresh and forward to prime and will continue to shed as the weather warms. The mature flock are well grown, fully shedding and highly fertile. These come with my highest recommendation. Offered as 2 lines of 76 as a run out the gate.
