Assessor Comments	This line of vendor bred 450 NSM Poll merino maiden ewes present an opportunity to attain what will grow out to be an impressive line of breeding ewes, suitable to both self-replacing, or terminal breeding programs. These ewes are going ahead after being shorn in September, and are ready to bound ahead if shown favourable grazing conditions. Coleraine breed their ewes to suit the conditions of far west NSW, keeping both frame and wool production in mind, the progeny of Coleraine bred ewes have historically met export weights. These ewes are old Kelvale Poll merino bld, 45 kg at assessment, M & TS. Vendor has 140 2022 drop in same sale to make 6 decks.
