Assessor Comments	Top quality ewes and lambs on offer. Only top quality ewes ever bought with sale due to portion of property sold. Lambs are some of the best that are produced from the Goulburn area and are always highly sort after from restockers and processors. Majority are 3 & 4 year olds, refer asses for breakup. Vendor is very particular in buying top quality ewes and rams with the property extremely well managed. Lambs sired by top end flock and ex stud rams from Gooramma PD Stud. Rams selected for meaty carcase traits, length and depth of body as evident in lambs already. 10 orange tag ewes in lot, all mouthed sound, 1 ewe missing side tooth. All ewes annually udder checked and have both teats. Lambs to be tagged prior to delivery and lambs can be marked if requested. Highly recommended from agent.
