Assessor Comments	Strapping big White Suffolk with very nice and fresh Sheep master lambs at foot. The ewes are only two years old and are out of the stud with a world of breeding behind them. The Porter family have been breeding and selling top quality rams for many years these are their sisters. These ewes were joined to the Sheep master rams for a first cross program but due to lack of feed this year the vendor has decide to move them on. The ewe lambs would maybe go into a shedding program If that's what you wanted. Sheep masters are a great Shedding breed and have great carcass and shedding. 83 two-year-old ewes with 165 lambs you will not go wrong with this purchase and will not be disappointed.
