Assessor Comments	Full dispersal sale of the renowned RONARA PARK merino flock. Ronara Park has always secured the best available Rams to maintain an elite line of fine wool merino ewes. Sheep at assessment were presented in forward prime condition and showed good health. These Ewes are between 3-6 years of age with the majority being purple tags, 2020 drop. Ideal breeders for those requiring very good quality, larger-framed, fine wool sheep. NOTE: A small percentage of sheep observed longer in the toe. Vendor will allow inspections prior to sale. Vendor has multiple lots in sale.
