| Assessor Comments            | A good opportunity to purchase a young Aussie White ewe flock being only 1, 2 & 3 year old ewes with 155% Cashmore Park Nudie Lambs at foot. The vendor is selling all of his ewes to concentrate on his Dairying enterprise. The original ewes (yellow tags) where purchased ex A+ out of NSW. The Red tag and blue tags ewes are the progeny out of those ewes bred by the vendor. All the lambs have been marked and vaccinated and are fresh and sappy and full of life. Lambs are 1st August born for six weeks. Ewes had a long acting cydectin injectable drench when lambs were marked on 5.9.2024 and hence are still in a ESI. |            |                           |            |                 |
