Assessor Comments	A handy line of young wool producing 1yr old wethers that are bred from a flock that has been established to be a diverse fiber and meat producing unit. These young wethers present in strong store condition and are of medium frame for age with ample bone, that will continue to mature. From a medium woolled Merino flock capable of filling bales. Sired by Polled Merino Rams out of Merino and Poll Merino Ewes with approximately 15% carrying soft horn. This group represents the second draft of wethers. * This lot of 626 wethers will be a run out of the gate from a line of 3130. Note - An annual sell off of the vendors young wethers from the Telopea Downs property aggregations with 4250 on offer in this sale over 7 lines.
