Assessor Comments	Complete drop of 2.5 yr old Dispersal Merino Ewes. These ewes have very good frame and length for age. Weaned 115% Lambs off as maidens this last season. Vendor is only selling these ewes now as he had leased out the remaining sheep flock when these ewes where Lambs. So they are a genuine sale line well worth a look, going into their prime breeding life they are a very good article to top numbers up or become a stand alone self replacing breeder.
