Assessor Comments	Neat line of April/May 2.5-4.5 year old Radnor commercial ewes. With approximately 1/3rd in each age group there is plenty of breeding left in these girls and they are only being moved on due to seasonal conditions. Radnor aim to breed large frame ewes with the ability to cut plenty of wool these girls are no exception and present a fantastic opportunity to top up a flock with known performers. Also note the line of ewe hoggets also available in this sale.
