| Assessor Comments  | Buyers here presents the opportunity to secure a line of well-bred Angus steers. These steers have been backed with good genetics being the progenies of Glenavon blood cows that were sired by Clunie Range & Eagle Hawk sires. Ideal steers to take to Export or grass-fed markets. Steers have had no grain or Antibiotics in their life. Buyers, please make note that three steers at assessment were observed to have light scaring on eye, not deemed detrimental. Buyers, please also note odd steer carries ringworm around head. |
