Assessor Comments	A very good even line of Angus X Angus NSM future breeder heifers, a great opportunity to purchase future breeders with good frame and structure present. Heifers are bred by Milwillah blood cows and sired by Milwillah Stud bulls. Heifers purchased as entire drop, one mark from Irving Farming in May through Carcoar Selling Center. Females have done significantly well since arrival on oats & native pasture. An opportunity to purchase an even line of future breeders with all the correct traits and breeding to go on with.
