	The temperament was very good they handled with ease through the yards.			
Assessor Comments	A smart line of vendor bred & lifetime traceable steers. These cattle have plenty of breeding & show good growth, structure & confirmation for age. They would perform well on grain or grass & would not take a lot of finishing. The vendors have consistently bought top end bulls out of Outwest Angus. very well bred cattle that won't disappoint. Please note 7 steers with old pink eye scarring
