Assessor Comments	Annual draft of the O'Brien Family's heifers off "Glenanaar", these cattle have given terrific results off both grass and feedlot feeding programs in the past and would be an asset to any breeding program. Heifers are by Outwest Angus bulls out of large frame Outwet Angus blood Black Baldy and Angus Cows. The Glenanaar cattle are some of the best in the Gulargambone district and are not to be missed!! please note; 3 heifers with old pink eye scaring. Vendor has Black Baldy steers and Angus steers in the same sale
