|                       | Very good cattle to handle in paddock and yards, the odd one will become nervous in small yards but not aggressive.                                                                                                                                                                                                 |                             |                                     |
| Handled With          | Aerial (Helicopters, gyro's and planes) , Bikes , Dogs , Horses , On foot , Vehicles                                                                                                                                                                                                                                |                             |                                     |
| Assessor Comments     | A handy line of mixed sex backgrounding cattle that have just started to lose their winter coats and go forward . Good enough quality to retain % of heifers if desired.                                                                                                                                            |                             |                                     |
