Assessor Comments

Very good quality line of Angus x steers that are really powering ahead. Weight gains of 1.6-2.2Kg/head/day since previously weighed. Steers were purchased out of HRLX weaner sale from reputable Hunter Valley cow herds. These steers should go on and perform without any setbacks if given the opportunity. Well grown steers with shape and softness that are really shining up in the coat. Steers all weighed over 400kg steers @ Assessment with light steers and extra heavy steers removed. 1 Steer Blue spot in 1 eye. Vendor has 61 Angus steers in same sale.
