Handled With	6 heifers handled well through the yards the and quite in the paddock whilst doing the inspection. Bikes , On foot , Vehicles
Assessor Comments	The cows that these heifers are out of come from a well renowned breeder (Amor Braford's) that takes pride in his Braford herd, the heifers are a result of trialing a angus bull over Braford cows. 5 heifers are Black Baldy with one straight black. These heifers would suit some wanting hybrid vigor in a cow to join to a bull of their choice. Heifers have been doing 1.7kg a day since last weighed, 1 grey heifer weighing 468KG is not included in the sale.
