Assessor Comments	Bred from some of the best cows Bongongo has to offer, these Bongongo blood steers are only being offered as they are a different age group to their counterparts and are progeny of the top end of the Bongongo sire battery. Yard weaned in July, these steers handled with ease in the yards, and have all the potential to make heavy kill cattle at a young age. Grass declarations available at buyers request. Vendor also offering a lot of yearling heifers in this sale.
