Temperament

Yards	Crush	Paddock
Quiet: 43 head Slightly Stirry: 2 head	Quiet: 43 head Slightly Stirry: 2 head	Temperament not assessed in Paddock

	Steers were free moving through the yards, just showing some nervous behaviour when in close proximity to the handler. Despite this, they were pleasantly surprising, & very well mannered in the force, race & crush. All leading in to the crush sensibly, and only a handful wanting to jump about, or rush out. Steers with more handling will no doubt improve with time.
Handled With	Bikes , On foot , Vehicles
Assessor Comments	Excellent opportunity to secure an EU accredited line of high marbling, growthy Black baldy steers that are being offered on the AuctionsPlus platform as young weaners that are usually sold direct to high end feedlot. These steers are highly sought after and attract a premium price from feedlots given their reputation to perform. Out of a high performing herd of Angus & Angus X Cows sired be high end Hazeldean Angus bulls, with the recent introduction of Shacorrahdalu Angus genetics. Always carefully selecting sires for +3 IMF, above average 400DW & positive carcase figures, as well as A.I programs to improve overall herd quality. These steers present in fresh condition and will go forward on delivery & are really starting to do with some sun on there back coming in to spring. An ideal line of steers to take on with the reputation to back your investment. Please note delivery dates & time.
