	Heifers flowed well through the yards. A few heifers got agitated in the loud crush but settle well when back with the mob.

Assessor Comments	A nice bdouble load of vendor bred Angus Heifers. These heifers are August to September 23 born and present in store condition but are on the move and are ready to pile on weight. They are Banquet blood and have preformed well for past purchases. They are ideal heifers for a spring joining or carry through to heavy feeder heifers. Note 6 steers have an old pinkeye scar in one eye.
