Assessor Comments	An outstanding line of Littleman River Angus steers that are part of highly regarded Team Te Mania. The Littleman River steers are July to September drop and carry vast amounts of leading Te Mania AI genetics, with emphasis being placed upon growth and marbling. The cow herd includes a number of Te Mania stud females. Previous consignments of steers from the vendor have had 59% achieve marble scores of 4 or greater, with marble score 8 being achieved. The Littleman River steers display impressive weight for age as well as shape and bone. Steers are exceptionally quiet with extensive amounts of time being spent on education and handling. All steers have been tested PI Negative via an ear notch. Littleman River will offer 2 lots of steers totalling 164 head in this sale.
