Assessor Comments	Very neat line of 23 Charolais steers that are showing great frame for age. these steers are true to the breed a have very good bone and stretch. The steers will grow into big bulls and will increase weight very quickly on good hard feed. The Pike Family are well know in the district for having big large frame heavy cattle. The steers were weaned early due to the dry season. There is another line in this sale which may help with truck loads. Buy these cattle with confidents knowing they will grow into big heavy bullocks.
