| Assessor Comments     | Very neat line of Murray Grey steers showing great stretch frame and condition. This is vendors annual sell off and will also have two other lines of Heifers in this sale. These steers are very quiet and show great weights for age, highly recommend these cattle.                                                                                                                       |                |                 |
