Assessor Comments	Buyers, a great opportunity to secure a VGQ 2 deck line of PTE heifers. Heifers are out of large-frame Santa, Simmental and Hereford cross cows and are sired by high-priced Santa and Simmental and Hereford bulls. Heifers stand on good bone and show good length, depth and great weight for age. Heifers were bred on vendors three properties and were returned to Barford at weaning in June/July with the older number 3s in mob were joined and came up empty. These heifers are gaining a good reputation for performance on grass or grain and come highly recommended, ideally suited to the Domestic and heavy feeder market. Please note two heifers observed with a slight blue spot in one eye which is not considered detrimental. Please note 8 non Vendor bred heifers in mob were purchased as future breeders last year . Vendor has 3 decks of brothers in this sale.
