Assessor Comments	Buyers here presents a fantastic opportunity to acquire a very good line of F1 Wagyu Steers. These steers are out of a Texas Blood Angus Cow herd by Sunland and Edwards Wagyu Bulls. The Bulls have been selected to suit a majority of F1 programs with all bar 1 bull above average Marble Score with the greatest being MB 2.1. These steers have had every opportunity with a season on Oats and now present in the ideal condition to grow out to heavier feeder weights or go straight onto feed. They are not overly fresh and show fantastic shape and frame ready to bounce ahead. These steers showed excellent muscle expression and bone for an F1 Wagyu steer. As noted above a small percentage showed minor blight scaring and warts however this is of no detriment at all. This a fantastic line of well-bred steers not to be missed.
