Assessor Comments

Top of the drop Angus x Angus Heifers A/C the breeder. Heifers are from Taloooby Bld Station bred cows and are by Taloooby and Tattykeel Stud bulls. Heifers weighed from 305kg - 419kg to ave 363kg after a 7 hour curfew, with small tail removed. Heifers have freshened up in the coat and have really pushed ahead with the warmer weather. Heifers come from large framed cows and display all the characteristics as good future breeders, or alternatively grow out for heavier specs.
