Assessor Comments	17 to 18 month old Angus heifers by Booragul, Eagle Hawk, Cascade, Clunie range & Karoo Angus Bulls, out of Glen Moan angus cows. Heifers were purchased ex Blayney & Willow tree breeders. Heifers are showing true to angus type & could go either join to a bull of your choice, excellent heifers to take onto a grass supermarket trade or finish them in a feedlot. They handled through the crush and yards well and were a pleasure to move through the yards for assessment and photography. Part of annual trade that the vendor does. Management tags will be removed prior to delivery. All heifers are antibiotic free.
