| Assessor Comments      | A small line of Angus heifers that would be an ideal article to grow out to feeder weights or join to a bull of your choice. Heifers show good frame and were very good to handle through the whole process. Please note Vendor has cows and Calves in the Eastern States sale also.                                                                                                         |
