Temperament	Yards	Crush	Paddock
	Quiet: 8 head Slightly Stirry: 1 head	Quiet: 8 head Slightly Stirry: 1 head	Temperament not assessed in Paddock
	Quiet young heifers to handle. All leading up the race well, handling pressure and standing sensibly on the scales, one that was a bit anxious, doing some rocking & weaving, listed above as slightly stirry. Mostly quiet to walk amongst in the paddock, just the same heifer that was a bit antsy with people on foot in the paddock with her.

Assessor Comments	Nice little even line of young Heifers. Pure Rennylea Angus Blood, bred from Large framed, Clear Springs Pastoral Cows. Heifers are long bodied, with a good, round backend, and plenty of depth. Heifers that were given time to grow out and mature on improved pastures before starting on a light feed ration. This makes all of these heifers bunker trained and ready to continue on the feeders, or background on some Spring pastures.
